

Getting Started...

- ★ Download the Periscope App using your class Twitter handle
- ★ Create a quick bio
- ★ Follow other great teaching networks:
 - @mudandink_, @amandawritenow, @iteachtvnetwork, @bespoke_ela, @markbarnes19, @teachwithsoul, #secondaryseries and more!

Using Periscope:

- ★ Click the “Broadcast” button that looks like a camera
- ★ Title your broadcast clearly
- ★ Disable/enable the geo-location function
- ★ Click START BROADCAST!
- ★ During the broadcast students can:
 - Ask questions LIVE
 - Talk to each other in the room
 - Give “hearts” when something makes sense or they like what they’re hearing
 - Take screenshots of something you have on the screen

Ideas for my classroom:
